L-R STELLA BECKER AND. MR. + MRS. GOLIGHTLY.

MRS GOLIGHTLY IS PEARL HAYARFORD WHO AT A YOUNG AGE WOULD TAKE PHOTOS OF TURN OF THE CENTURY BELLEVILLE & HAVE THEM DEVELOPED AS REAL PHOTO POST CARDS TO SEND TO HER AUNT IN WISCONSIN. HER & HER MOTHER LIVED & WORKED IN THE FREDERICK SCHOLLE BUILDING. THE HARVEY HOUSE DID AN EXHIBIT "POSTCARDS FROM BELLEVILLE, LITTLE GIRL WITH CAMERA" BASED ON THE POSTCARDS THAT PEARL HAD TAKEN. JANIS MARSTON SET UP THE EXHIBIT IN 2018 USING MY RESEARCH & PICS. THIS PHOTO WAS GIVEN TO ME BY TOM (C.T.) HALAMA.

Men Enjoying the Fruits of Their Labor

Although this photo had no identification, it could have been taken at one of the wineries owned by Adolph Didier and John Becker in Valencia County. Wine produced there was sold from Colorado to northern Mexico.

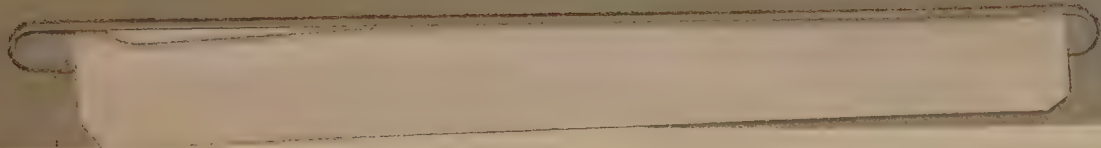

Prohibition brought the demise of area vineyards.

Treago Cañon
 Big Spruce Camp.
 When earth comes pretty near
 being heaven. Note the wonder-
 ful way in which the sun-
 light filters through the
 leaves. The patches of light
 and shade are remarkably
 true to nature. The pose and
 arrangement of the people are
 exceptionally easy and natural.
 The trunk of the big spruce back
 of the tent, the shadows of the
 branches and trees upon the
 forest floor, the sunshine on
 the hill-side, and the con-
 tented attitude and expression
 of the people make this picture
 quite complete, - and a
 picture with real sunshine
 in it.
